We Invite You

to attend BALTIC SUMMER 2014 Interventional cardiology and cardiac surgery meeting held in the Pauls Stradins Clinical University Hospital, Riga and in the Baltic Beach Hotel, Jurmala on 20-21 June, 2014.

During this practical session, Baltic and World class invasive cardiologists and cardiac surgeons will perform surgeries on patients, with their consent, which will be broadcasted live with specialist commentary in special congress tent, which will be placed in courtyard, next to Interventional Cardiology Laboratory.

Main Session Star Faculty

Prof. David Iosseliani (Russia) - Development of cardiology in Moscow and elsewhere in Russia. The contribution to the development of cardiology.

Prof. Anthony DeMaria (USA) - Development of cardiology and cardiac surgery over the next 10 years. Similarities and differences.

Prof. David Taggart (UK) - CABG vs PCI in 2014: The surgeon's perspective.

Prof. Sunao Nakamura (Japan) - Left Main Experience.

Prof. Jens Flensted Lassen (Denmark) - Development and collaboration of science and medicine in the Baltic region.

Prof. Rimantas Benetis (Lithuania) - Aortic valve sparing and repair procedures.
